- All Plants are in 3.5" square pots (473 ml) & are perennials native to eastern North America unless otherwise noted. Other pot sizes used include 4" square pots (701 ml), Quart square pots (946 ml) & 'Gallon' square pots (2600 ml).

- **NO MINIMUM Plant OR Seed Packet order!**

- **All of our Seed is hand harvested & processed.** Each seed packet contains a generous amount of seed (between 25 & 1000 seeds, depending on species & seed size) as well as specific germination instructions based on our own experience with the seed.

- **Shipping Season: We ship Plants weekly from April 1st thru November 30th. Seed packets are shipped year round.** Spring plant shipments will be timed to coincide with your growing conditions and/or the needs of the plants. June through August plant shipments may be postponed if extreme heat is predicted.

- **Plants: Standard shipping is USPS-Priority Mail** (see rate table). **Optional: UPS shipping** (contact us for quote).

- **Seed Packets are shipped First Class Mail.**

- **Tall Shipping Surcharge** for Woody Plants > 2' tall. Due to rising shipping costs and the increasing implementation of dimensional weight pricing we have had to add a surcharge for woody plants over 2' tall based on postal zone (see map and rate table, bottom left).

- **Special Delivery or Pickup:** Toadshade is primarily a mail order nursery and the farm itself is not open to the public. We have, however, recently partnered with our terrific local hardware store (Frenchtown Home & Hardware), which is now a 'pick-up' point for orders, allowing order pickup 7 days a week in beautiful downtown Frenchtown (contact us to make arrangements). Plants can also be pre-ordered and picked up from us at the Hunterdon Land Trust Farmers Market in Flemington or at other events we attend over the course of the year (see our web site at www.toadshade.com for our latest schedule). For large orders with in 100 miles of Frenchtown, contact us regarding truck delivery rates.

- **Every single one of our plants is carefully prepared, wrapped, & hand packed just before shipping. You receive healthy plants, ready to transplant.** We don't make any money off of shipping - our shipping charges simply cover the freight costs, care, & materials it takes to get your plants to you in the best possible condition.

- Due to state and/or federal quarantine restrictions, **plants are shipped bare root to the following locations: AL, AR, AZ, ID, IN, KS, MS, MT, ND, NE, MN, NM, NV, OK, OR, SD, TX, UT, WA, WY, & Canada.** NOTE: Plants shipped to MT, OR, & Canada must be individually inspected before shipping and a special handling fee of \$20 will apply (\$30 for Canada). Some shipments of woody species outside the Northeast & large orders of woodies to the west coast may also require Bareroot inspections or other fees due to specific State or Federal Quarantines or shipping requirements - we will notify you if this is the case before any charges are processed.

- For plant shipments to **Canada**, please contact us for quote.

- Sorry, we do not ship **plants to California**, nor do we ship **plants or seeds overseas** or to the state of **Hawaii** due to the stringent quarantine laws involved.
